

Motivation

In a world where culinary creativity knows no bounds, sharing recipes transcends mere cooking. It's about connecting through culture, heritage, and passion. We want to help users find good recipes and share their experience in cooking. This web-based application aims to deliver a smooth, intuitive user experience, along with appealing, modern aesthetic design.

Engineering Overview

Our Team

Jie Zhang – zhanj265@mcmaster.ca
Zirui He - hez66@mcmaster.ca
Kaicheng Xu - xuk46@mcmaster.ca
